

## Favorite Roads – 1-4

- **#1 – The Highlands Scenic Highway** through the Monongahela National Forest and over mountains at 4500+ ft elevation
- **#2 - Anthony Road** (County Road 21 from US 219; county road 17 from WV 92). Gentle curves. Nice fishing/picnicking area on the Greenbrier River. Nice elevation up on a bluff above the Greenbrier River.
- **#3 - WV/VA 311** over Peters Mountain (WV/VA border) and Potts Mountain (VA).

At Paint Bank, turn beside the general store/Texaco station onto County Road 600, and travel 3-4 miles. Hollow Hill Farm is on both sides of the road -- award winning bison farm. There are *\*lots\** of babies there this spring!

WV 3 between Sweet Springs and Gap Mills is a straight run valley road, with Peters Mountain on the east side. Get some bread at the Kitchen Creek Bakery in Gap Mills, run by Mennonite women.

- **#4 - County Road 25** The Blue Sulphur “Turnpike” in Greenbrier County. See the Country Roads Tour, Map B for information on this road.
